Catalogue Copy	**Now, confidently match color to almost any surface – instantly!** Capture color inspiration from any surface, material or fabric – even small, patterned, multi-colored textures and textiles – and match it quickly and accurately to a PANTONE Color.
Web Page Description	**Confidently Match Color to Almost Any Surface – Instantly!** Capture color inspiration from any surface, material or fabric – even small, patterned, multi-colored textures and textiles – and match it quickly and accurately to a PANTONE Color. Created for professionals in fashion, home, interior, industrial and graphic design, as well as for contractors, paint retailers and do-it-yourselfers, CAPSURE is easy to use and portable, yet its advanced image capture technology sets a new standard for accuracy and versatility in a portable device.
Long Description (add'l)	**CAPSURE comes preloaded with more than 8,000 PANTONE Colors:** • The PANTONE FASHION + HOME Color System Library (paper and cotton) for fashion + home • The PANTONE PAINT + INTERIORS Library (paper and cotton) for architecture and interiors • The PANTONE PLUS SERIES Formula Guide (coated and uncoated), the PANTONE PLUS SERIES CMYK (coated and uncoated) and the PANTONE Goe™ System (coated and uncoated) for graphic design, printing and publishing (includes sRGB, Adobe RGB, HTML, Lab and XYZ values for multimedia design) Included Palette Application Software allows you to easily integrate captured colors into your design programs and update your stored color libraries. Comes with protective carry pouch, wrist strap, USB cable, software and quick-start guide.
Features & Benefits	• Stores up to 100 color captures • Toggles easily across multiple PANTONE Libraries • Synchronizes with popular design applications, including Adobe® Photoshop®, Adobe Illustrator® and QuarkXPress® • Automatically updates color libraries through CAPSURE Sync • Compact and lightweight – weighs just six ounces (with battery) • Annotates colors with a voice recording and time-and-date stamp • Large 1.75 inch-color viewing screen • Provides harmonious shades and identifies related colors • Powered by a lightweight rechargeable lithium battery • Saves time and money by efficiently matching virtually any surface to a PANTONE Color • Extracts, displays and matches up to four dominant colors from an intricate pattern • Allows you to create palettes of favorite shades or customize palettes for specific projects • Provides unsurpassed accuracy through advanced illumination and capture technology • Compensates for gloss and surface variations • Ensures accuracy through real-time onscreen preview • Cross-matches any material or surface • Lasts for thousands of measurements on a single charge
